	DENIAL OF STATE ENGINEER
	deny  This is to certify that I have examined the foregoing application, and do hereby goank the same, subject to the ving limitations and conditions:
т	his application is herewith denied on the grounds that to grant the application for
	rigation purposes on lands that the applicant does not own or control and cannot
	emonstrate the ability to place the water to beneficial use, would not be in the public
i	nterest and welfare.
The	amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not
to ex	ceedcubic feet per second
Worl	must be prosecuted with reasonable diligence and be completed on or before
	f of completion of work shall be filed before
	ication of water to beneficial use shall be made on or before
	f of the application of water to beneficial use shall be filed on or before
	in support of proof of beneficial use shall be filed on or before
	letion of work filed
	State Engineer of Nevada, have hereunto set my hand and the seal of of beneficial use filed.
	my office, this 19th June
